Crop Insurance

The Saskatchewan Crop Insurance Corporation is a treasury board crown corporation committed to a healthy and vibrant agriculture industry in the province. Crop Insurance administers business risk management programs for producers. A part of Saskatchewan's agricultural framework since 1961, Crop Insurance is seeking committed and dynamic staff in the following positions:

FIELDPERSONS – All locations

Responsible for performing crop inspections on farms, gathering data to determine indemnities for programs administered by Crop Insurance, carrying out fieldwork dealing with dissatisfied customers or problem situations and measuring bins and acreages on farms.

For a complete description and information on how to apply, please visit our website at www.saskcropinsurance.com.

We thank all candidates for their interest, but only those selected for an interview will be contacted.

We are committed to employment equity and encourage applications from qualified persons of aboriginal ancestry, persons with disabilities, members of visible minorities, and women seeking management and non-traditional roles.
