Career Opportunities

Weatherford Drilling Services, a division of **Weatherford Canada Partnership**, is an international provider of directional, measurements-while-drilling and logging-while-drilling services. Ongoing research and development efforts and rapid expansion plans have created the following Western Canadian career opportunities based in Edmonton, Calgary or Grande Prairie. We offer superior entry level compensation for all positions as well as an excellent benefits package.

EXPERIENCED DIRECTIONAL DRILLERS/TRAINEEES

You will primarily work in field locations assisting our clients in the controlled drilling of a wellbore to a predetermined target location.

Experience Personnel

We are looking for personnel with oilfield directional drilling experience. SAGD/RST/CBM experience an asset. Opportunities in these areas are available.

Trainees

Drilling or Derrick Hand experience on an oilwell rig and computer literacy will help make you an ideal candidate. The entry level compensation is directly related to years of drilling experience. Mathematical skills are required. You are to effectively interact with customers, be a good communicator and be a team player. Weatherford Drilling Services does provide in-house classroom training, as well as training in the field.

MWD/LWD FIELD SUPERVISORS

Current opportunities range from MWD Trainees to experience MWD/LWD supervisors. You will be required to work on remote drilling locations, assisting the client in controlled drilling of the wellbore to a predetermined target location. The ideal candidate should have rig experience along with a post-secondary education in petroleum, mechanical, electrical or computer fields. Candidates with only post-secondary education in the above fields are also strongly encouraged to apply. Weatherford Drilling Services does provide in-house classroom training, as well as training in the field.

Qualified applicants should forward their resumes and identify the career opportunity for which they are applying to:
